**AUTHORIZATION OF TREATMENT / ASSIGNMENT OF BENEFITS / REFERRAL POLICY**

I, \_\_\_\_\_ hereby authorize ProActive Foot and Ankle Associates (the practice) to administer such procedures and treatment as deemed necessary in the diagnosis and treatment of my feet, ankles and lower legs. I also authorize the practice to apply to and bill my insurance company on my behalf for medical services and or supplies rendered by the practice. I request payment from my insurance company or Medicare to be made directly to the practice. I certify that the information I have reported with regard to my insurance and medical status is correct and accurate and authorize the release of all necessary medical and insurance information for myself and any and all dependents for any and all claims to my insurance company or Medicare. I permit a copy of this to be used in place of the original. This authorization may be revoked at any time by me with written notice to the practice. Most insurance plans require that the authorization be obtained only once, and then maintained as part of the patients permanent chart record. The plan will accept an unsigned authorization only if it is fully documented that the patient cannot sign for him or herself and there is no one who can sign for them.

Please note that it is your responsibility to know if a referral is required for office visits, surgery or treatment. If required, it is your responsibility to have the referral at the time of visit and keep track of how many visits are remaining on any given referral. Failure to obtain a referral (if needed) will shift the responsibility for payment at the time of visit to you, not the insurance plan. We cannot call your doctor to request a referral on your behalf. If you have a co-pay, it is due at the time of the visit. If you fail to pay your co-pay at the time of the visit, a \$5.00 surcharge will be applied for each month until the balance is paid. We do not bill for co-pay.

Regardless of your insurance plan, you are financially responsible for payment. If the claim we submit is not paid by your insurance plan within 90 days, we consider the claim as “not covered” by your plan, and you will become financially responsible. Should your account go to collection, you agree to pay any and all expenses, including collection fees or percentages.

**Acknowledgement of Practices Notice of Privacy Practices**

By signing my name below, I acknowledge that I am aware that a copy of the Notice of Privacy Practices (NPP) is available to me (copy located in waiting room) and I have had the opportunity to read, if I so chose, and understand the Notice of Privacy Practices (NPP) and agree to its terms. I may request and receive a printed copy of the NPP upon request.

**MEDICARE PATIENTS ONLY:** I request that payment of authorized medical and surgical benefits and supplies be made to ProActive Foot and Ankle Associates on my behalf or any covered dependants. I authorize any holder of medical information about me to release it to the Center for Medicare and Medicaid Services (CMS) and its agents. Any information needed to determine benefits shall be included.

**SELF-PAY PATIENTS:** As a self paying patient I understand that I am responsible for and will pay for all medical/podiatric services at the time of the visit.

**I have read, understand and agree to the above.**
